LIST OF REGISTERED INDUSTRIAL ORGANISATIONS

at 30 September 2015

INDUSTRIAL ORGANISATIONS - Industrial Relations Act 1996

The following index is intended to assist in the identification of the correct names of industrial organisations registered under the Industrial Relations Act 1996. The key words are taken from the names of organisations currently registered under the Act and, in some cases, from the names of organisations that have been de-registered on amalgamation. Several common acronyms, abbreviations and alternative names are also included.

The key word index does not attempt to set out the scope of membership coverage of organisations.

The contact particulars of each State Peak Council and industrial organisation are listed in registration number order in the tables that follow the key word index.
